

The Big Write

My Way Back Home (version 2)

Written by Year 1

One windy night there was a boy called Jojo. He was hunting in his toy cupboard and found his old spaceship. He was very excited because he thought he had lost it. He got in and blasted off into space. Suddenly one of the wings fell off his space ship and he had to make a crash landing on the moon!

The moon was dark, rocky and freezing cold. Jojo was very frightened and felt all alone. Suddenly a little alien appeared. The alien was red, slimy and looked it friendly. It looked really little and cute. Jojo talked to the alien and they made friends. They both wanted to get off the moon so the alien mended the wing. Jojo was very grateful. Then the space ship was ready so Jojo and the alien went

through a portal and flew back into space. Jojo took the alien back to orange Saturn and then he landed back on earth.

When Jojo got home he was in serious trouble because he had been away for a very long time. He felt happy though because he had had so much fun! He ate his delicious tea and went to bed for a lovely long sleep.

THE END.
