

Kea Community Primary School

5 November 2020

Dear Parents and Carers

Children in Need 2020
FIVE TO THRIVE

The new School Council members came up with some super ideas for Children in Need this year. However, the date is fast approaching and some of the ideas would not have worked without crossing class bubbles, which we can't do in the current pandemic. Therefore, we have decided to keep some of those ideas for later on in the year.

On Friday 13 November, we will be inviting the children to wear non-school uniform, pyjamas or dress as their favourite movie or book character. We invite a donation of £1 for this.

Pupils can also enter a Pudsey Bear colouring and drawing competition. This costs 50p to enter and sheets are available from your class teacher. Entries need to be handed in to class teachers by Thursday 12 November.

We hope that the day turns out to be lots of fun for the whole school and promotes a good cause.

Yours sincerely

Mrs McPherson and the School Council
