

Home Learning-Afternoon Activities

Week beginning: Monday 13th July

Subject: Art

Question:

How can we make a message clear?

Introduction

This week, you are going to make your t shirt design based on an eco theme. Look back at your design from last week.

Younger Children	Older Children
<ul style="list-style-type: none"> Place a piece of cardboard (cereal packet or cardboard box) inside your t shirt to keep it flat. Use pegs to pull it tight and hold it in place. Lightly sketch your design with a pencil first. Paint or use fabric pens to draw your design onto your t shirt. (Fabric Medium is an additive which turns ordinary paint into fabric paint). When dry, iron on reverse to heat fix the fabric paint or pen. Wear and enjoy the compliments on your work! 	

Challenge:

Can you paint a cap, cloth bag or cushion with an eco message?
