

Home Learning-Afternoon Activities

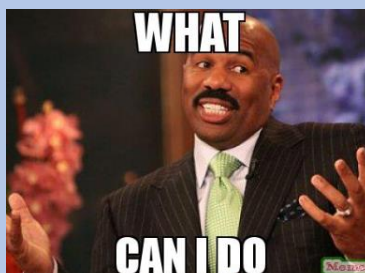

Week beginning: Monday 13th July 2020

Subject – Humanities

Question:

Can I save the world?

Introduction

Discuss with the class/your child what key points are being shared in this clip

<https://www.youtube.com/watch?v=xLx4fVsYdTI>

Discuss turtle in packaging and whale trapped in bag, how does that make you feel?
How did that get into the sea?

Design a poster to show how we can help stop pollution

Younger Children	Older Children
<p>Watch BBC clip – Plastic watch Let them watch through, then replay, pause and read main pieces of text you consider important https://www.bbc.co.uk/programmes/p06bsx6t</p> <p>Design a poster about reusing our water bottles and why it is important</p>	<p>Introduction Discuss with the class/your child what key points are being shared in this clip https://www.youtube.com/watch?v=xLx4fVsYdTI Discuss turtle in packaging and whale trapped in bag, how does that make you feel? How did that get into the sea? Design a poster to show how we can help stop pollution</p> <p>Then... Watch this David Attenborough clip and choose whether you agree or disagree with</p>

	him. Write notes to agree or disagree with his interview
