Friday 17th September 2021
Autumn term week 2

Reading –

Please read for at least 30 minutes each school day.

Literacy –

This week, we wrote application letters for our Year 6 jobs. For homework, write a letter of application to join:

M16 to become a secret agent, or Hogwarts as a new wizard, or NASA to become a space explorer, or The Jedi Council to become a Jedi, or some other fun place that you dream of applying to.

Write your letter using the features we used in class, I will attach a copy of the letter example that we used.

Maths –

Tables – Write out and make sure you are confident using, the 3- and 4-times tables.

This week, we used Roman numerals. Here you can see smaller and larger numbers, use one or both charts for your homework, depending on how confident you are. Try as many choices as you can.
