Reading

Please keep up daily reading and add any completed books to your challenge sheet at the back of your homework book.

Literacy

English - Grammar, Spelling and Punctuation book pages 38 and 39 -
Active and passive voice

Maths

Maths - Pearson revision book page 17 Division.

For question 1, just put the remainder in the way we have in class - r4

For questions 2 and 3 you can either solve these as long division as in the book or by short division using factors, so dividing by 32 could be solved by dividing by 4 and then 8. You will still get the same answer.
