

Flambards Trip - Wednesday 2 May

On Wednesday this week children in Years 1-6 went on a visit to Flambards to further their learning about this term's topic on WW2. They spent the morning in groups, led by our year 6 children, looking around the museum. They learnt about the Dam Buster Raid, Britain in the Blitz and what life was like in London and how scary it was when the bombs were falling. In the afternoon the children had time to enjoy the amazing rides in the lovely sunshine.

Thank you to Kea School Friends who totally funded this fantastic trip for our children saving parents £10.00 per pupil.

Year 4 WW2 Report

In Year 4 we have been learning about WW2. On Thursday 26th April, Year 4 examined some artefacts from The Royal Cornwall Museum which were from World War 2. Some of the things were a gas mask box (homemade). You would put your gas mask inside. We also had a rattle. The rattle was used for warning people there was gas in the air. The rattle made a very loud clicking noise. There were gaiters, which go on your ankles and stops mud going through. The blackout light was used for seeing in the dark but also there was a flap for when the Germans came. If your light didn't have a flap you had to cover it with your hand. By Bethany, Robyn and Maddie Y4. Thanks also to Sally Elms who brought in some WW2 artefacts for children to look at.

Scouts Coast2Coast Walk 28 & 29 April

In the morning scouts had to wake up at 5.00 am and meet up at a car park then walk 32 miles from the West coast to the East Coast. It wasn't as hard as we thought it would be, it was a bit tough and a good challenge. We did it over 2 days and in the night. Xavier, Charlie (someone you may not know) and Rudi had a sugar rush.

Charlie shared a massive bag of sweets with Rudi and Xavier. They then got in their sleeping bags and jumped on each other and then their tent leaked and they got very wet. Then they went to sleep. In the morning we got up and packed our bags and went for breakfast, we could have cereal or a small English breakfast before starting walking. At the end at Par beach we were relaxing and eating sweets and then got on the mini bus back to Lanhydrock where we had a massive sugar rush. At the end most people (not including Jacob) were aching on their feet and their legs. Written by Jacob, Henry B, Rufus, Xavier and Rudi.

Year 3 Evacuee Letter

Dear Mum and Dad

Today we went on the train to get evacuated, the journey was so boring, it was at least 10 hours. Isabella and I had had to sit next to Mrs Peppers with her smelly blue cheese sandwiches. All we could do was play noughts and crosses on the steamed up windows.

A few hours later we got off the train, we were welcomed with lovely hot tomato soup, hot cocoa and cheese rolls. Isabella didn't like the cheese rolls, so she gave them to me.

When we finished the food I thought the meal was the best meal I had ever tasted. After the meal we were told to sit on the bench to get adopted. I got picked first, my new home was with a lady called Mrs Wellings, she seems nice so far but I can't tell yet.

When I got to the house I looked up in amazement and when I looked down there was a little black and white cat next to my ankles. That is when I realised I would like this house.

It wasn't that good because I had to split up with my best friend Isabella. Hopefully she will come to my new school which I am going to tomorrow. For now I have to do my jobs which I hate but if you were here I would love them.

Love Ava xxxxx
