

# Kea Community Primary School

---

6 January 2022

Dear Parent/Carer

## **Geography Fieldwork Truro Walk – Tuesday 11 January 2022**

To launch our new learning topic 'Wonderlands', we are planning to take the children to Truro city centre next Tuesday 9:30 am – 11:30 am.

We will follow a map around the city and look at important local landmarks as well as take sketches of these for a whole class art project we are planning.

As well as giving the children opportunity to practise map skills, we think it will be a really valuable experience for them and heighten their awareness of the abundance of important landmarks that there are within their local city.

The children will be transported to and from Truro centre via coach, which has kindly been paid for by Kea School Friends.

We have identified and agreed a few locations en route - including Truro Cathedral and the Hall for Cornwall - where we could stop and shelter and use facilities if needed. However, it will be very important that all children have a waterproof coat for the trip as we will spend the vast majority of the morning outside. Children are also welcome to bring in named wellies and waterproof trousers which they could put on before we leave.

Please complete and return the permission slip below by Friday 7 January.

Yours sincerely

Mr. Barritt  
Year 4 Teacher
