

## Tens and Ones – Prior Learning

### Advice and ideas

#### Maths

Provide number cards to ten. Children to choose a number card as the whole and find all the possible parts to create that number.

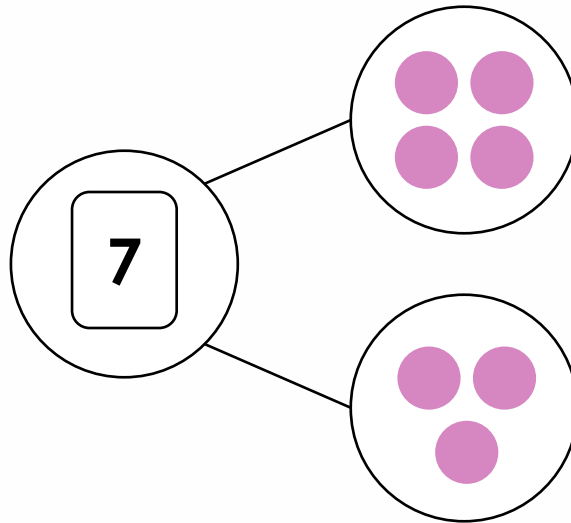

#### Outdoor

Create a giant part-whole model using hoops. Write a number as the whole and the correct number of children to stand in the hoops to show the parts.

### Maths

123

**Choose a whole.  
Find all the parts.**
