

Appointment of New Catering Manager

Last week, the school council were invited by Eden Foods, our catering provider, to join the interview process for the new cook. The school council members asked the new cook, Mr Dean Robins, lots of questions about his experience of cooking and tasted some food that he had cooked for them. All school council members were very impressed with what they had eaten. Eden staff have also undertaken their own interview and with the school council members' help have decided to appoint Mr Robbins and he has started working in the kitchen this week.

Buddy Bench

The new buddy bench has arrived in the playground. This will be an area where children can sit to find a friend to play with at break times and lunchtimes. The school council have been informing children about the new bench in assembly. The bench has been kindly bought by Kea School Friends and will soon be painted by the school council members to make it look more colourful.

Can you please ensure that your child has outdoor clothing and welly boots in school on these days. We don't expect parents to buy additional pairs of welly boots to be kept at school - but if you have a spare pair we are happy to store them in school.

It's really good fun! Plus we're always open to suggestions and requests for workshops...
