

## Year One Entry Point Day Poems

As part of our "Entry Point Day" Year 1 created "Blitz" mixed media art. This week, we wrote poems inspired by our art. Here are just two of our wonderful poems:

### "The Blitz"

Bright red sky,  
Like bonfire night.  
Pitch black bombers,  
Booming, banging bombs.  
When will this stop? By Finn

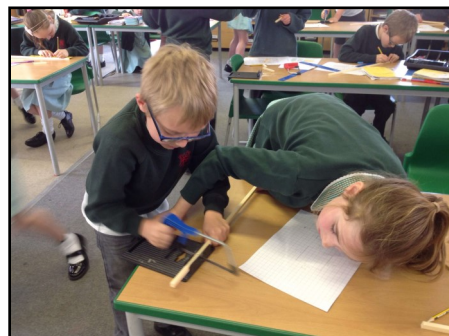

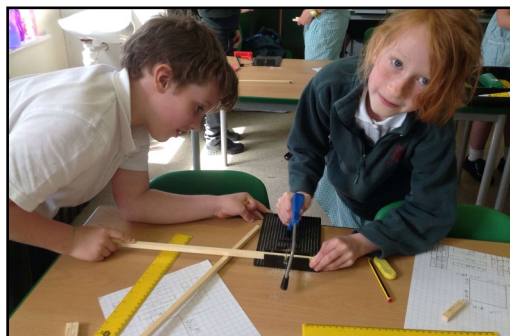

### "The Blitz"

Bright, dazzling, yellow sky,  
Like a bonfire on Bonfire Night.  
Space black bombers,  
Terrifying, horrifying bombs!  
Why are there bombs outside? By Jude

## Year Three Design Technology

Year 3 are having a great time learning how to create an article made from wood. They are learning to use saws and bench hooks safely. There has been some great teamwork going on in class. Poppy M says, "It's fun!" Declan says, "It's teaching me to measure carefully and use my eyes." Ivy says, "Woodwork is fun because you can work with your friends and make your own ideas."

## RNLI Beach Safety Assembly

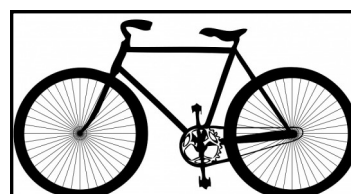

Tuesday's visit from the RNLI was fantastic. Sam and Fraser from Perranporth gave the children some important advice about what to do when stuck in a rip tide, how to keep safe in the sun and how the RNLI do a fantastic job of saving lives each day.

**Did you know?** It costs the RNLI charity, on average, £170 million each year to continue.

## Year 5 Bikeability

Year 5 have had the amazing chance to learn how to stay safe and get the best out of bike riding over the past two weeks. The children have braved the sun, wind and rain to gain one of life's most important skills. They have done a fantastic job!

### Playground Chorus

Alice Browning is bringing Little Bird Music's 'Playground Chorus' project to the school this half term and will be working weekly with each class exploring clapping games, playground rhymes, body percussion and rhythm activities. The sessions got off to a great start last week with lots of hand and body percussion, rhythm name games and rhythmic work with cups - we're encouraging all to share learning both in the playground and at home! You can see more about the project at
