

Year 6 Camp

The year 6 children enjoyed a fun filled week at Torquay PGL. They took part in a huge variety of exciting and challenging activities including: Problem Solving, Trapeze, Giant Swing, Buggy Building, Orienteering, Archery and a fun swimming pool session.

On camp, year 6 attempted lots of activities and most felt satisfied with what they achieved. One of the classes' favourite activities was The Giant swing. The trapeze was, by most people's standards, the scariest. They tried activities ranging from high heights to the pass of a ball.

Year 6 stayed in lovely dorms with all the facilities needed; as you can see on the website we had a lot of fun! This is a quote from Ruby about her experience, "I had an amazing time at Torquay. The activities we did were super fun and I would love to go again!" "I thought camp was amazing because of activities and instructors!" remarked Ashton.

We would like to thank Mrs Tucker, Mrs Lawry and Mr Miles especially since it was his birthday on the Tuesday.

Year 1 and 2 'Plants and Animals' Topic

To kick start our "Plants and Animals" topic, Foundation, Year 1 and 2 had an exciting day of workshops on Friday 7 June. With Mrs Harvey in Foundation, the children designed and made their own insects and thought about habitats for them. In Year 1 with Mrs Olive, the children were busy listening and creating a dance to "The Carnival of the Animals". They had to identify some of the animals and create their own short dances to represent the elephant and the fish. When with McPherson in Year 2, the children explored what leaves are for and compared different leaves. Then the children made leaf print wrapping paper. Everybody had a fantastic day of rich learning activities and being with different aged children made it thoroughly interesting!
