Dear Parents/Carers

Each week, on a Friday, we are inviting specific children to bring something in to show and tell the class about. These will usually be on a theme.

For the first show and tell, we would like the children to bring something about their family. It may be some photos or a special item. We will give the children an opportunity to tell the class about what they have brought in, supported and encouraged by us. Following this, we will give the children in the class an opportunity to ask a few questions. This will develop their communication and language skills, in particular their listening, attention and understanding.

Their show and tell does not need to be long – we aim to spend no more than couple of minutes on each.

Date of Show and Tell.....

We really look forward to learning more about your child's families. Please see us if there are any questions about this.

Kind regards

Mrs Harvey
