

Kea Community Primary School

26 February 2020

Dear Parents/Carer

On **Friday 28 February**, we are going to be having a teddy bear's picnic in Foundation. Teddies and toys was our topic before half term and we would like to finish with an exciting picnic.

Over the next couple of days, the children will be writing invitations to their teddy, designing waterproof clothes for teddies in Science (their teddies will not be getting wet!), singing songs, designing and making a sandwich and weighing porridge for the three bears.

Please may the children bring in a teddy on Friday for this event.

Many thanks

Catherine Harvey
Foundation Teacher
