

YEAR 4 HOMEWORK- due 13.12.21

Maths

Please can we dedicate this week's maths homework to additional times table practice?. I don't mind how you do this and it doesn't necessarily need to be written down! You could use Times Table Rock Stars, [Hit the button](#), www.timestables.co.uk, write them out, paint them out or even learn a times table song! Try these on YouTube! Remember to focus in on the table you have been asked to learn. If I have told you that you know your tables to 12x12, then you can challenge yourself and try your 13's with [this quiz](#).

English

We have been learning about instruction writing this week in English. Have a look around your home for examples of instructions that you have followed. They could be from a game, a model kit, a toy or even a recipe. Can you see any of the features of instruction writing that we have discussed?- Title, you will need list, imperative (bossy) verbs, steps ordered with connectives? You could tell me about the instructions you have used, or send a picture through the school office.

Create! 1

For the class marble treat this half term, the children have chosen to have a **GREAT BRITISH YEAR 4 BAKE OFF!** We plan to hold this event on **Monday 13th December**. Due to our current COVID guidelines, cooking in school is a bit tricky, so we would love you to bring in your own bakes from home (These will not be shared amongst children). This links really well with our current English work as it will give you all the chance to follow a set of instructions for your cooking. We don't need anything super adventurous, some [biscuits](#) or a [simple sponge](#) would be amazing! Your bakes will then be judged by our very special celebrity guest judges, Paul (Moyes) Hollywood and Prue (Angille) Leith!!! Unfortunately the host, Noel (Barritt) Fielding is vegan so will be unable to sample the delicacies! For children unable to bring in a bake there will be some allergen-free biscuits to decorate as part of the bake off competition! Use this week's homework to plan your bake and then perhaps next weekend to make it!

Remember to get out and about each week too--- it's just as important as homework!

We would love to see pictures of any outdoor adventures ! You can email them to us via secretary@kea.cornwall.sch.uk

and we will put them on our HEALTHY BODY board! Thanks for all the lovely pictures received so far! Dog walking, digger driving, beach days, birthday parties, safari parks, **even a 5k run this week!** What an adventurous bunch you are!

Please enjoy the limited edition Christmas version of our class playlist [here!](#) A youtube link to the playlist will be on our website soon.

Create! 2

We are SO excited that all the children in year 4 will be learning to play the ukulele in January! Some children were so keen that they have added a ukulele to their Christmas list apparently! Luckily though, the instruments will be provided by the school for the lessons. However, if you are fortunate enough to already own a ukulele (or perhaps Father Christmas does leave one in a stocking!) you are welcome to bring it in on the day of the lessons. More information about the lessons will be provided nearer the time. In the meantime, I would love you to have a go at designing your own ukulele(template in books)! Be as imaginative as you can with your design. Perhaps add things that reflect your personality or hobbies, or just go with something awesome like these!:

KEY INSTANT RECALL FACTS AND SKILLS

Brahman is the supreme spirit and the gods and goddesses are different representations of Brahman.

Hindus can worship anywhere, but mainly worship at their home shrine or in a mandir.

Diwali means rows of lights and celebrates the story of Rama and Sita's return home and the triumph of good over evil.

Hinduism originated in the Indus valley but is now practiced throughout the world, including in Britain.

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.
