Responsible Person

The headteacher is responsible for ensuring that the arrangements below are effectively implemented and maintained.

Medicine in School

Medicines will only be administered at school when it would be detrimental to a pupil's health not to do so. The school will store and dispense medication to pupils as long as:

Self-Management of Medication

The school does not allow students to carry or manage their own medication.

(https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/350640/guidance_on_use_of_emergency_inhalers_in_schools_September_2014_3_.pdf)

Staff authorised to dispense this medication have read the above guidance and have been given instruction in the recognition of the symptoms of an asthma attack and the appropriate procedures to follow.

The emergency inhaler contains Salbutamol and will only be available to pupils who have been

- diagnosed with asthma and prescribed an inhaler OR
- prescribed an inhaler as reliever medication.

In addition parental consent is obtained for use of the emergency inhaler.

The school keeps a register of pupils who have been diagnosed with asthma or prescribed a reliever inhaler.

The emergency asthma kit will be stored and managed in the same way as any other prescription medication following the procedures above.

Storage of Medicine

Medicines will be securely stored in the school office or fridge in the staff room.

All medicines must be signed in the Medicine's Log.

Any medicine given out or administered must be recorded in the Medicines Log.

Medicines can only be given out by office staff, headteacher and other support staff following explicit guidance from office staff.

- Side effects of medication
- Signs and symptoms
- Modifications and allowances
- Emergency actions

The headteacher will also ensure that relevant information is shared with cover staff etc.

Individual Healthcare Plans

The headteacher will work with (or identify an appropriate member of staff to work with) healthcare professionals and parent/carers to establish an effective healthcare plan where appropriate.

Healthcare plans will be reviewed if there is reason to suspect that the plan is no longer appropriate and at least annually. A healthcare plan review can be initiated by the school, healthcare professional or the parents/carers.

Risk Assessment

In addition to the healthcare plan the school will carry out individual risk assessments for any pupil where the pupil's medical needs introduce new risks to an activity or increase existing risks. This will include (but may not be limited to) individual risk assessments for off-site activities, sporting activities and practical lessons.

Risk assessment for off-site activities, in particular, will include consideration of:-

- Access to medication
- Appropriate storage of medication
- Staff training in administration of medication
- Emergency procedures

Unacceptable practice

To prevent unacceptable practice the headteacher will ensure that:

- Pupils have access to their medication at all times during the school day or during educational activities off-site.
- Healthcare plans reflect the needs of the pupil and take into account the views of parents/carers and advice of healthcare professionals
- Every effort is made to ensure that pupils with medical needs are able to stay in school for normal school activities (including lunch) unless there is a specific reason detailed in their healthcare plan not to do so.
- If the pupil becomes ill; ensure that he/she is accompanied to the school office/medical room by an appropriate person.
- Pupils with medical needs are not penalised in their attendance record if their absences are related to their medical condition, hospital appointments, etc.
- Toilet, food and drink breaks are provided where necessary in order to manage a student's medical condition.
- Arrangements for administering medication do not include the need for parent/carers to attend school.
- Every effort is made to ensure that pupils with medical needs are able to take part in every aspect of school life including off-site activities, sporting events and practical lessons.

Complaints

Parents/carers are encouraged to contact the headteacher if they are concerned or dissatisfied in any way with the support provided by the school for a pupil with medical needs.

There are two different sounds to alert to fire/bomb evacuation or lock down:

- Continuous siren sound for fire/bomb
- Series of three short bursts of bell for lock down

Immediate action:

Headteacher will ascertain the possibility of the pupils being able to return to the school building. This will depend on the nature of the evacuation. For example after a fire it is unlikely that the full school site will be usable, whereas after a bomb threat, it may be possible to return after a full search if so advised by the police.

Action as soon as possible

Sending children home will be organised by;

Headteacher or secretary will contact local media (BBC Radio Cornwall Pirate FM and Atlantic FM) in order to have public announcements. The Local Authority will also be informed so that they can advise any parents who may call them for advice.

Parents will then be contacted by phone if possible. This may involve utilising mobile phones, and may need a telephone directory borrowed from another house if school records are not available.

Parents may be asked to care for other pupils as well as their own to facilitate quick movement of children to a safe environment.

Creative use of accommodation to keep children comfortable in the interim will be needed. For example, the Pre School building may be usable (with their toilets). If this is not the case, the school will use Kea Community Centre as an emergency evacuation centre.

Later action

The Headteacher should work with the emergency services, Interserve, the Local Authority and relevant contractors with regard to re-opening the school site.
