16 March 2020

Dear Parent/Carer

In the event of an enforced school closure, we are preparing to provide distance learning for pupils via our school website.

Should the need arise for this provision, we will ensure a blended approach that continues to inspire all children to learn with a range of activities both online and offline. We appreciate that whilst this may at first feel like a novelty for our children, maintaining the interest and impact will be critical - and it will also need to work alongside your own challenging situations, which may mean balancing your child's distance learning with your own work. We will strive to issue comprehensive advice and ongoing support in the event of an enforced school closure.

As I'm sure you will appreciate, we are currently dealing with a complex and rapidly changing situation. Our first priority will always be the health and safety of the pupils and staff in our school. Now, more than ever, this remains our primary focus.

This is an entirely unprecedented situation and we are following official advice from the Department for Education and Public Health England. This advice is being added to on a daily basis and we are monitoring and responding to that as it is published. This official advice will underpin all of the actions we take.

Whilst we appreciate that there will be a wide range of different views about how we should be responding and what action should be taken, I hope you will understand that we are duty bound to follow the official advice from government.

To this end, we are keen to seek your feedback and would appreciate you completing the attached questionnaire and returning it to the school office no later than **10:00am on Wednesday 18 March 2020**.

We thank you for your continued support.

Yours sincerely

Katherine Hunkin  
Headteacher
