Dear Parents and Carers

Bags 2 School

Over the next few days your child will be coming home with a Bags 2 School plastic bag. This amazing fundraising opportunity allows you to have a great sort out of your cupboards to free up some space and raise some money for the school. Details of what can be placed in the bags is detailed on the bag itself.

Filled bags need to be returned to the school foyer on the morning of Tuesday 21st May, where they will be collected later that day by the organisation that run the scheme.

If you are not at drop off on this date and want to still make a donation please contact a Kea School Friends representative about an alternative drop off.
