

### Bubble 4 - Year F and I

Once again Bubble 4 have been busy working together. We have been finding numbers more than and less than a given number and Year I have been counting money.

We have created our own "The Snail and the Whale" art work and the Year I children have written part of the story in their own words. Their challenge was to include inverted commas for speech and they all achieved this. Well done Year I!

Foundation have been creating Rainbow Fish art and writing sentences to describe characters and settings in the story.

| The Rainbow Fish 1A Sentences  |                                     | 27.20 |
|--|-------------------------------------|-------|
|   | The <u>dark</u> ✓ sea               |       |
|   | The <u>blue and orange</u> ✓ krill  |       |
|   | The <u>big</u> ✓ whale              |       |
|  | The <u>colourful</u> ✓ Rainbow Fish |       |

### Bubble 3 - Year

Bubble 3 has been extremely busy this week learning all about money! We have been identifying different coins, learning about their value and ordering them based on their value. Also, we have been able to use different coins to create different amounts of money in pounds and pence!

### Bosvigo School Summer Club

Bosvigo School Summer Holiday Club will be running over the summer holidays. The cost per day is £23.30 — child care vouchers are accepted.

For more information please contact Kerry Penhaligon at [wraparound@bosvigo.cornwall.sch.uk](mailto:wraparound@bosvigo.cornwall.sch.uk).

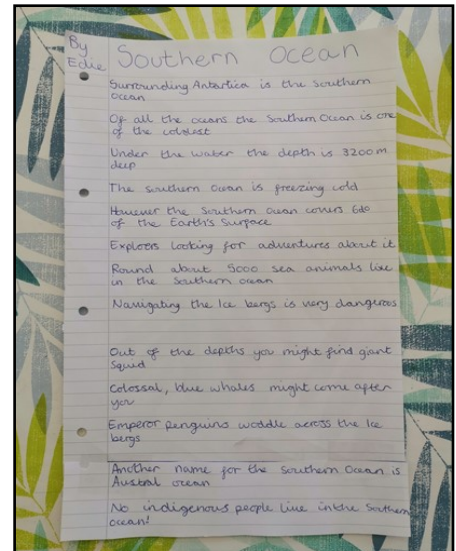

## Home Learning

Below are a few photos of some of the fun things you have been getting up to.

Well Done to Maisy year 5 and Max year 2 for both being awarded Blue Peter badges!

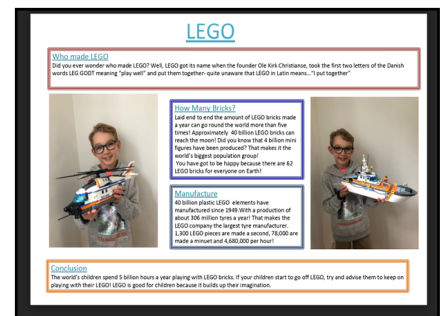

A lovely piece of writing by Edie year 5!

Mia year 2 made a brilliant bug hotel!

Jacob year 5 and his sister Esme enjoyed a trip to Crantock to see the poppies

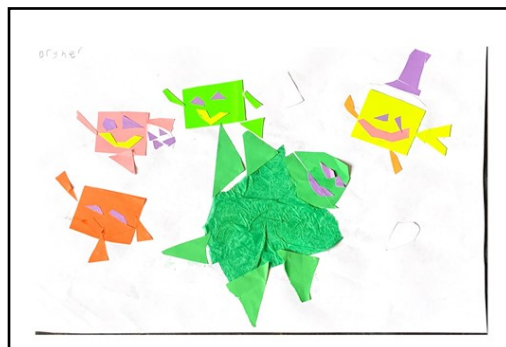

Seb year 3 being creative with Lego!

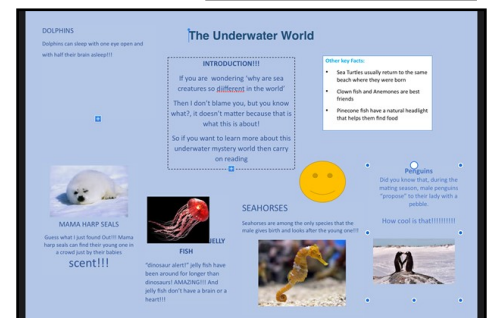

Leon year 3 has fun using marshmallows for a number task!

Louis year 3 is enjoying reading!

Lovely art by Bryher year 2!

A lovely piece of literacy work by Fleur year 4!

## Year 6 Fondest Memories

As year 6 children come to the last few weeks of Kea School they have shared some of their fondest memories which have been used to create a year book.

One of the happiest memories at Kea was playing football against the other schools and I liked being the only one who wanted to be in goal, so I got my favourite position. When Mrs D and Mr Cotterill told my mum that I was a good player and should play more out of school as well as in the school team, that made me feel really proud. I really liked being part of the school football team, especially when we got to play at other schools.

## Happy Times At Kea

I've had so many great times at Kea School but these are my favourite!

My favourite happy memory was in year 4 when we recreated the great fire of London. We made little houses and played with play mobile in the classroom. Then we set the field on fire and we threw all of our houses in the fire! It was so cool!

My last favourite happy memory was in year 3. We did our first ever junior show it was called Magpie Manor. We all had black face paint on and pretend to be magpies it was so much fun!

## My memories of Kea school

I think my favourite memory from my time at Kea school has to be year 5 camp. I love sleeping in tents and I was with my best friends. One thing I remember is when we were sitting at the campfire one afternoon and a rabbit came up really close behind us, maybe about one metre away. It usually would have run away. Another one of my favorite memories was year 4 camp. It was my first school camp and we did lots of fun activities like rock climbing and teamwork activities. Flambards was my favourite school day trip as it was such good fun.

## By Dylan

Kea has done loads for me from teaching me, to creating loads of opportunities for me to have fun. I have learned a lot of things thanks to Kea. I have learned how to read, write, solve number problems and much more. I have experienced many different things as Kea has opened my eyes to many activities. I have had a wide range of subjects and loads of choice with after school clubs. Although it is good to learn, and you are supposed to do that, school is not just about learning, like the school's motto says 'a great place to ***learn*** and ***make friends***'. Kea has taught me how to be a good friend, helpful and a mature and respected person overall. I have had loads of fun, and made many friends and memories and will be sad to be leaving.
