

WaterAid

Well done to the year 6 pupils for organising the WaterAid fund raising event which took place last Friday. A lot of thought and effort went into the many different activities that the rest of the school were able to take part in. Lots of fun was had by everyone playing the lolly pop game, having their faces and nails painted and guessing how many sweets were in the jar. Flynn in Y5 guessed there were 81 sweets in total and won the jar of sweets. I hope he shared them with his friends!! A fantastic £421.92 was raised - so well done year 6!

Buddy Bench

Last week, the School Council members painted the new buddy bench, bought by Kea School Friends, that has been on the main playground. The School Council chose to use rainbow colours to make the bench brighter and more colourful. The buddy bench will continue to be used as an area where children can sit to find a friend to play with at break times and lunchtimes. Thank you to Mrs Morgan and Mr Symons for their support in painting the buddy bench.

Happy Holidays

This year has seemed to pass so quickly. It seems no time since we were welcoming everybody back to school last September and welcoming new children and families.

A great deal has taken place this year - exciting curriculum opportunities, school visits and trips, changes to assessment and amazing school productions. Children in every class have worked hard and have all made huge strides with their learning.

I would like to thank all staff for their hard work and dedication throughout the year. School governors have worked hard supporting the school in many different ways. Many thanks to every member of our governing body. Huge thanks to all our pupils and their families for their hard work, enthusiasm and for many laughs throughout the year.

We wish all our leavers every success as they transfer to secondary school. Hopefully you all will have many happy memories of life at Kea and you will come and visit from time to time to share your news with us. Have a great summer break and we look forward to seeing children back at school on Wednesday 7 September. Katherine Warren.
