

Sports Day

Thank you to everyone who came and joined us on sports day, your support was very much appreciated by the staff and children. We had glorious sunshine which helped make the event so successful. It was lovely to watch the children participate in the team and individual race events. A big thank you to Mr Cotterill for organising this event and I am sure you will all agree the day's events ran very smoothly. Thanks must also go to the kitchen for providing a pasty lunch which could be enjoyed out on the school field at lunchtime. A final thank you to Kea School Friends for organising very much needed hot and cold refreshments.

Clubs

Please note that next week is the last week for after school clubs. As from the week commencing Monday 9 July children will need collecting from school at the normal time of 3.30 pm. Clubs for the autumn term will be published very soon so you will be able to make bookings over the summer holidays.

SENCO (Special Educational Needs Co-ordinator)

As you are aware, Mrs Perman, who has been SENCO this year, will be leaving at the end of this term. Mrs Dryzmala will take over this role, supported by Miss Warren. Mrs Dryzmala is looking forward to the role and will attend some training before the end of the term.

Well Done Ivy

Last Friday Ivy in year 3 took her Musical Theatre Grade 2 Exam for Trinity College London. She passed with Distinction and received some lovely comments.

Musical Theatre and a huge range of Performing Arts classes are available in Truro via Jason Thomas <http://www.jasonthomasdance.co.uk/>

Charity Concert at Kea Church 21 June

Last Thursday night, the 21 June, the Kea School Choir took part in a charity concert to raise money for a homeless charity in Truro. The charity gives free breakfast to homeless people in Truro. They come from all over the city for breakfast, which starts at 7:00 am in the morning every day. Although the concert was free of charge, most people donated while walking out.

The Kea School choir sang first. We sang a war song medley, which will also be performed at the summer production. Then we sang "Count Your Blessings" which is all about how not to be sad, but to count your blessings instead. Then we sang "Shalom" which is a song we often sing in school assemblies. Then we sang "Ahoy me lads" which the choir sang in a competition, and did very well in. The last song we sang was "I love to sing" and we also sang that at the end with the whole audience, for an encore.

There was also a man who said two very funny poems which had the audience (and me) in lots of laughter. Lastly, the Kea community choir sang. They sang a group of amazing songs, with amazing harmony. It was a great night, with amazing singing and poems. I hope they raised a lot of money for the homeless charity because that was the whole reason for the night.

Science day at Richard Lander School

On the 26/6/2018 year 6 students who are going to Richard Lander School were invited to attend a science themed day to solve a murder mystery crime! First, we went outside to see what evidence was left at the crime scene, then we went back to the testing room to test evidence found at the crime scene which will lead us to our murderer. Some of the tests were: fingerprints, pollen testing, toxin testing, hair molecules and digested acids. Finally, after we had gathered our results we were led to the conclusion that the victim's husband had food poisoned her. After we had thought who it was we had to write a little recount and conclusion of the murder and the evidence found. At the end of the day, we had very much enjoyed ourselves and would like to give a very big thank you to all the Richard Lander school staff and students for giving up their time to give us a great day out and educating us more about science.
