

Kea School vs St Agnes football match report.

We are Kea School, and we were picked by Mr Cotterill (P.E. teacher), for a football match against St Agnes School, which was held at Kea School, and which we were very excited about.

In the friendly match, which was on the far pitch, we played the B team of St Agnes (their kit was black and red). The team played very well, and because of our hard work we won 6-3. Kea school had got a victory! Let's get more into the match. Two of the amazing goals were scored by the talented Findlay, a chip and an amazing overhead kick and the ball floated right over the goalkeeper's head. Three goals from Henry all neatly into the bottom corners, made it five. Another goal from Matisse made it six. It was beautifully floated into the top corner. All the team did very well, including the defenders, Rufus and Harry.

On the other pitch the A team did a GREAT job in the league match. They played very well, but sadly lost 6-2, with unlucky defending. An experienced, talented year 5 boy, Carey, scored a good goal in the back of the net. Josh scored another goal; it went beautifully into the bottom corner. Mr Cotterill our coach was very pleased.
