

Sports Day – Monday 19 June

We will be continuing with the same format for this year’s sports day as last year; hopefully the sun will join us this year. Children will be carrying out a range of different activities such as dribbling a football between cones, throwing beanbags into hoops, tennis ball drop shot, golf put and throwing a javelin (foam javelin). For each of these activities, children will be able to score points which they will try and improve on in future years. This will be followed by the traditional running and relay races for those children wishing to take part. Hopefully this will enable every child to feel fully included and no-one will be sitting round for periods of time waiting for their races. Following previous safety concerns we will not be holding any parents races this year.

We are intending to start at 11.00 am with an Opening Ceremony round the field. As ever, parents and friends are welcome to come and join us, sitting on the banks to watch the events. Everyone will break at approximately 12 o’clock for lunch – feel free to bring your picnics. The school lunch on this day will be changed to a Cornish pasty or cheese and onion pasty and a biscuit for pudding so that children can take their lunch outside. Parents are also welcome to order a pasty lunch on the order form overleaf. Please note this will be the only lunch option available on this day. Children can book their pasty on the day or bring a packed lunch.

Year 1 and 2 Enjoy “The Voyage Of The Mystery”

As part of our topic on “The Voyage Of The Mystery”, Year 1 and 2 were treated to a performance of the story told through the eyes of one of the crew, Job Keylynack. As Tom brought the story to life, the children were able to plot the route the little Cornish Luggar took and imagine how treacherous the journey must have been at times. The children have since plotted the route on a world map, written letters from the crew, composed “stormy sea” poems and created diary entries by the crew members. Many thanks to Tom, the actor from the Maritime Museum outreach team.

Show Jumping Success

Izzabella in year 6 competed on the Cornwall Junior show jumping team at Devon County Show last week. The team came a very respectable 3rd place.

Well done Izzabella!
