

YEAR 4 HOMEWORK- 7.1.22

Maths

Please can we dedicate this week's maths homework to additional times table practice?. I don't mind how you do this and it doesn't necessarily need to be written down! You could use Times Table Rock Stars, [Hit the button](#), www.timestables.co.uk, write them out, paint them out or even learn a times table song! Try these on YouTube! Remember to focus in on the table you have been asked to learn. If I have told you that you know your tables to 12x12, then you can challenge yourself and try your 13's with [this quiz](#).

English

Have a go at the sick sentences task on Pobble365.com (it appears that if you access Pobble from the same browser a certain number of times, there is a requirement to make an account. It is free to do this and Pobble a Cornish based education company, but if you are not happy to do this, then please let me know and I will provide alternative homework). Here is this weeks Pobble picture (it is the one from 7.1.22).

She spilled the coffee. It made a pattern on the table. She was amazed.

Create!

We have been looking at a map of Truro City centre, in readiness for our fieldwork trip next week. Can you draw your own map? It could be a map of your house, your street or further afield. Try and make it as accurate as you can in terms of scale and direction. Perhaps you could add a key to show what different things are on your map!

Remember to get out and about each week too--- it's just as important as homework!

We would love to see pictures of any outdoor adventures !

You can email them to us via

secretary@kea.cornwall.sch.uk

and we will put them on our HEALTHY BODY board! Thanks for all the lovely pictures received so far! Dog walking, digger driving, beach days, birthday parties, safari parks, **even a 5k run this week!** What an adventurous bunch you are!

Please enjoy our class playlist [here!](#)

PLAY

An optional 'play' task this week for homework, but please do let me know if you decide to have a go!

As part of our learning on Wonderlands, we have been talking about 'quests' that story characters undertake in many fiction novels, such as The Lion, The Witch and The Wardrobe and Harry Potter. A really nice way of taking part in a 'quest' is to play an escape room type challenge online. The escape room challenges on [this site](#) are very family friendly in terms of difficulty and tone. The Egyptian Escape and A Pirate's Problem are quite quick to do, with fairly simple clues. The Global Gateway challenge is slightly trickier and can take about an hour. All are good fun and great for problem solving! Have fun, adventurers!

Revise

Coming soon!

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.
