This week we have been learning to count in 50s. Your teacher will have given you a sheet to stick in your book. There are three sets of questions. Answer as many as you can in 30 minutes of concentrated effort. The sheet is available to download below. The answers are available for **PARENTS** to download when you have finished. You can mark your own work if you wish, or I can do it for you. Either way, please bring your book back to school for me to look at how you have got on.
