A GREAT PLACE TO LEARN AND MAKE FRIENDS

Wednesday's Pendennis Castle trip gave KS2 children the opportunity to see a place transform through history. From the Tudors, through the Civil War, right up to the World Wars, children could see and feel history in action. Through a cleverly 'Mrs Green' designed, interactive sheet, groups led their own learning and were simply outstanding. We now look forward to following this up with amazing work at school. A big thank you to Kea Schools Friends for making this possible.

Below is an extract of some of the fantastic work in progress, so far.

16th December 1546

Dear Diary,

It's treacherous in the time of the Tudors. Right now, we're firing against the Spanish Armada and defending the River Fal, ultimately England itself! The army and I are following the orders of Henry VIII; a ruthless ruler of Britain. He will not rest until all our treasures and possessions are safe. We hide our treasures under the ground to protect them from the canon balls.

A Foundation child has lost a pair of Avengers wellie boots and a Kea School jumper. Please could we ask you to check at home in case your child has brought them home by mistake. Many thanks.

Coats

Can you please ensure that your child brings in a coat each day to school. The weather is very cold at the moment and it is forecast to get even colder next week. Thank you.
