

YEAR 4 HOMEWORK

Maths

There are some written subtraction word problems for you to try on MyMaths. Do the ones that you can, if you find them especially tricky don't worry- just let me know! Please remember to also practice your times tables for 10 minutes every day!

English

This week's homework is from Pobble365.com. The website uses a picture-a-day to inspire children's writing. This is the picture from 11.11.21

Sick Sentences

These sentences are 'sick' and need help to get better. Can you help? Try adding some adjectives to describe the creature's size and maybe an adverb to describe how the man was swimming.

The man was swimming next to the big fish.

The big fish was swimming in the sea.

Spellings to learn for this week- Use Copy, Cover, Write, Check to practice: **happy, rabbit, tennis, messy, silly, kitten, potter, coffee, summer, puppy**

Remember to get out and about each week too--- it's just as important as homework! We would love to see pictures of any outdoor adventures ! You can email them to us via secretary@kea.cornwall.sch.uk and we will put them on our HEALTHY BODY board! Thanks for all the lovely pictures received so far! Dog walking, digger driving, beach days, birthday parties, safari parks! What an adventurous bunch you are!

Revise

To help the children learn important facts from our topic, we have some key bits of information that we have been trying to learn in school. These bits of information are known as 'KIRFS' (Key Instant Recall Facts and Skills). The KIRFS in our current topic are:

Brahman is the supreme spirit and the gods and goddesses are different representations of Brahman.

Hindus can worship anywhere, but mainly worship at their home shrine or in a mandir.

Diwali means rows of lights and celebrates the story of Rama and Sita's return home and the triumph of good over evil.

Hinduism originated in the Indus valley but is now practiced throughout the world, including in Britain.

Create!

Our Create task is a really important one this week so it is in bold font! We are asking you to create a Christmas decoration for our school Christmas tree! I hear that this task is an annual tradition for homework and as this is my first 'Kea' Christmas, I am so excited to see the school tree decorated with all your wonderful homemade decorations. There are a few things to consider when designing and making your decoration:

- **Please don't make your decorations any bigger than 'pocket-size'**
- **The decoration is one to hang on a branch, not adorn the very top of the tree**
- **Please try to use recycled materials, or upcycle something that would otherwise go to waste**
- **Where possible, please try to use natural or biodegradable materials**
- **You have until **Monday 29th November** to make and bring in your tree decoration**

Remember the importance of staying SAFE online. ALWAYS check with a grown up before using any game, device or app. For further information about staying safe online, visit [this section](#) of our school website.

'Somewhere only we know' is one of the songs we will be practicing over the next few weeks. It is on our playlist and here is a [link to the song on YouTube](#). There is also a [karaoke version here](#). See advice about staying safe online below.
