

Year 5 Penair Art Project

From 30th October to 11th December, year five did an art project on a famous graffiti artist from Brazil, who is named 'L7M'. Luckily, a professional art teacher from Penair, Mr Brett, came in to teach us about this graffiti artist and how to imitate his work.

We looked at different techniques, which were: tracing numerous choices of images of birds onto our A3 sheet of paper (pressure transfer); creating spots and bold sweeps across the page- although it proved to be quite nerve-wracking for us since we didn't want to ruin our work, therefore Mr Brett encouraged us to 'not be afraid'; shading; embellishing a piece; taking a line for a walk and adding doodles and sketching whilst using a compass.

The following week, our Penair art teacher (Mr Brett) took us on a trip to Penair School, where he showed us how to use filters (such as neon glow) on Photoshop as well as: cropping; changing the colours; adjusting brightness to our liking and playing around with the scale.

The completed paintings were truly exceptional pieces which showed high quality, expectations and attention to detail.

By Charlotte, Katie, Ruby and Shaun.
