Number	To recognise numbers 1-3. To begin to subitise to 3. To find one more of numbers to 3. To find one less of numbers to 3. To explore the composition of 2 and 3.	To recognise numbers 1-5. To begin to subitise to 5. To find one more of numbers to 5. To find one less of numbers to 5. To explore the composition of 4 and 5.	To recognise numbers 0-8. To subitise to 5. To find one more of numbers to 8. To find one less of numbers to 8. To explore the composition of 6, 7 and 8. To match the number to quantity.	To recognise numbers 0-10. To explore the composition of 9 and 10. To practise number bonds to 10. To know addition facts to make 5. To find one more of numbers to 10. To find one less of numbers to 10. To estimate a number of objects.	To recognise numbers to 20. To revise number bonds to 5. To explore how to make numbers above ten using tens and ones. To match the number to quantity.	To solve simple number problems. To recap the composition of each number to 10. To know addition and subtraction facts to 10. To know doubling facts.	Have a deep understanding of number to 10, including the composition of each number. Subitise (recognise quantities without counting) up to 5. Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including doubling facts.

Numerical Pattern	To say which group has more. To say which group has less. To compare quantities to 3. To count to 5.	To compare quantities to 5. To compare equal and unequal groups. To count to 10	To count to 15. To count objects to 10. To compare quantities to 8. To begin to understand the difference between odd and even numbers up to 8. To combine two groups of objects.	To count to 20. To compare quantities to 10. To explore odd and even numbers. To order numbers to 10. To count back from 10. To combine two groups of objects. To take away objects and count how many are left. To find the missing number.	To count to 25. To add numbers. To subtract numbers. To find the missing number. To order numbers to 20. To order numbers e.g. 13, 15, 19. To find the missing number in an addition and subtraction sentence problems.	To count to 30 and beginning to count higher (100). To know that 1, 3, 5, 7 and 9 are odd. To know that 2, 4, 6, 8, 10 are even. To double numbers up to 10. To find half of numbers up to 10. To share quantities equally. To combine groups of 2s, 5s and 10s.	Verbally count beyond 20, recognising the pattern of the counting system. Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity. Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally
Past and Present	To know about the past through settings, characters and events encountered in books read in class and story telling (Little Red Hen) (Farming/Harvest) To talk about my family and events using my special box.
