

Year 6 Homework:  
Friday 15 October 2021  
Autumn Term – week 6

Reading

Please read for at least 30 minutes each school day.

Literacy

This week we have investigated suffixes such as -ed, -ful, -fully, -less, -lessly, -ment, -ness etc.

Your challenge is to write a paragraph using at least 20 words with suffixes correctly in context. It needs to make sense and tell a simple story. Even better, try to use some of our sentence types.

Here's a starter if you need one.

Carefully, I carried my beautiful, priceless cup out into the colourful garden.

Maths

This week we've worked on solving problems with our addition and subtraction skills. Remember you need to read the question carefully and decide which steps to take to reach the answer.

Pearson books page 10

Extension: Write on problem for us to solve in class.
