

Show and Tell Homework 20.5.22

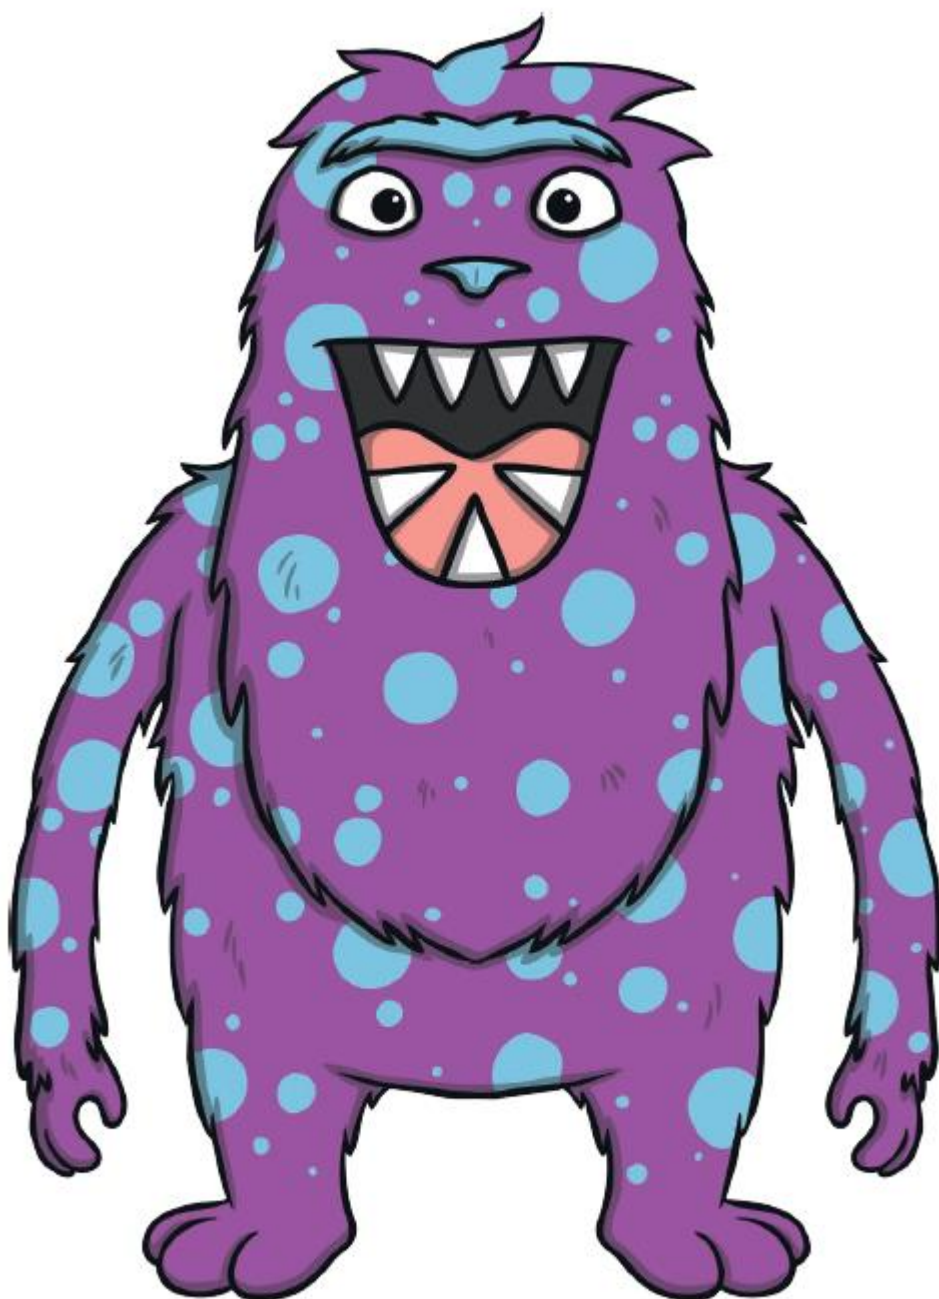

This week, we would like you to get practising for the Year 1 Phonics Screening Check! You can use Murphy the Monster to help you. He loves real words! Here are some ideas:

- Cut up the cards, turn them face down on the table. Turn over each one and read the word, trying to spot the "Best Friends" or letter digraphs. If it is a real word, give it to the monster. If not, put it in another pile.
- Put the cards around the home, in the fridge, in the bathroom, in cupboards. Can you find them all and read them? Put all the real ones in the monster.
- Adult and child take turns to try to read the real and fake words (child may have to help adult if they make any mistakes!)

Extra Challenge: Can you make up any Alien words with these phonemes in them?
