

YEAR 4 BISHOPS FORUM CAMP 2022 – KIT LIST

No nuts or food containing nuts. Bishops Forum is a nut free site.

- ❖ Please ensure that all items are marked with your child's name – it can prove impossible to reunite children with lost kit if the kit is not clearly named.
- ❖ Due to unpredictable nature of Cornish weather the clothing and footwear items on this list are to be packed and are to be additional to the clothes the children will wear to travel to camp.
- ❖ Cameras are not required as staff will take photographs and share them with the children when they are back at school. However, some children may bring a disposable camera.
- ❖ Personal radios, stereos, electronic games and mobile phones are not permitted.
- ❖ If you are unable to provide any of the items please let the class teachers know in advance of the camp.
