

Year 6 Homework:
Friday 10th September 2021
Autumn term week 1

Reading –

Please read for at least 30 minutes each school day.

Literacy –

We will be choosing new representatives (reps) for our School Council in the next two weeks.

Even if you do not wish to be on the council, please complete the task for this week's homework.

Write an idea to improve the well-being of pupils at our school. You could talk about this to your class and then the best idea and presentation will be voted for and this will help us choose our new reps.
