

Kea Community Primary School

Friday 10 September

School Council Homework

Dear Parents and Carers,

It is time to start a new year, which means creating a new School Council. Each class elects two children per class to represent the class for the school year on the School Council.

The School Council will be co-ordinated by Mrs McPherson and she will hold regular meetings to discuss matters, which affect everyone in school.

Last year, some of the activities the School Council thought about were Children in Need, a talent show for Comic Relief and Christmas Jumper Day. School Council Representatives also thought about and shared Eco Christmas ideas and assisted with the new Deputy Head teacher interviews. It is a varied and interesting role and really gives you the chance to get your voice heard.

You can talk about the responsibilities of School Councillors in class, and if you would like to be a School Councillor think about what would make you a good choice for your class. You can write a list, make a poster, make a presentation on the computer – it's up to you! Next week you will have a chance to present your ideas to the class, and then the class will vote to choose our School Councillors.

If you don't want to be a School Councillor, that's fine – you can make a list of the things which would make a good school councillor so that you know what you are looking for when it's time to cast your vote.

If you were a School Councillor last year, you won't be able to put yourself forward this year, but next year you will. Perhaps you could suggest some good advice for our next School Councillors, so they know how to represent the class well.

I will need the names of the new reps by Friday 24 September.

Good luck!

Mrs McPherson
