

Kea Community Primary School

A GREAT PLACE TO LEARN AND MAKE FRIENDS

Homework

Date: Friday, 3rd December

In by: Thursday 9th December

Literacy

Reading

Try to read to an adult every day if you can. Remember to ask your adult to sign your reading record. You need 50 signatures to gain your key ring.

Spelling

In Year 3, we look at a different word pattern each week. During next week, we will be studying the words and patterns daily in our spelling lessons. There will be a test on the words on Friday. If you would like to practice for the test during the week, or revise on Thursday, the lists are below. The idea is not to try to learn the spellings at home, but to revise or practice following the lessons. Next week we will be looking at words ending in -tion or -ation.

List 1

station
nation
relation
operation
mention
invention

List 2

accident
actual
actually
address
answer
appear

List 3

education
multiplication
competition
eruption
attention
description

You can use educandy games to help you practise your spellings if you like. Follow the link on the homework page on the website.

Writing task	<p>As we approach the end of term, and before all our Christmas activities get going again, we are going to have our termly “Show and Tell” Day!</p> <p>Show and Tell gives you a chance to do some work on something that interests you. The theme for this term is Christmas! You can tell us about a tradition in your family, perhaps a photo of something your elf has been up to. Perhaps you have a present from years ago that is still special to you that you could show. Maybe your family eat special things and you could share the recipe or tell us how to make them. It’s up to you.</p> <p>Your Show and Tell can be something you bring in to talk about, it can be in the form of a powerpoint (please email to secretary@kea.cornwall.sch.uk) Or if you are worried about talking in front of the class, you can design an information poster for the teacher to put on the visualiser. You will be invited to tell your friends about what you have brought in and then asked to answer some of their questions.</p>
--------------	--

Maths	
Tables	<p>We are starting to learn the x3 and x4 tables in class this week. You can use the games on “My Maths” to practice the x3 or x4 tables. If Mrs. Green has talked to you about having a different tables target, then please practise these.</p> <p>Times Tables Rockstars will help you to practice your target table. If you stick to playing in the garage, you will only get questions from these tables. Even if you are good at these tables, the more you practise, the faster you will get!</p> <p>Playing in the studio will give you questions from all tables.</p>

Homework Task	Just Show and Tell this week.
Please note that there will be on homework set next week. It would be really helpful to have all the children's books returned to school so that they can be marked up to date and ready to start fresh next term.
