

# Kea Community Primary School

A GREAT PLACE TO LEARN AND MAKE FRIENDS

## Homework

Date: Friday, 20<sup>th</sup> May

In by: Thursday 26th May

### Literacy

Reading

Try to read to an adult every day if you can. Remember to ask your adult to sign your reading record. You need 50 signatures to gain your key ring.

Spelling

There are no new spellings this week, we will continue to work on last week's list and test on Thursday

List 1

when  
where  
why  
what  
who  
photo

List 2

perhaps  
popular  
position  
possession  
possess  
possible

List 3

which  
while  
why  
whose  
alphabet  
elephant

Show and Tell

Show and Tell gives you a chance to do some work on something that interests you. The theme for this term is "Our Planet". We are all aware of the many things that are damaging our planet, and I would like to find out what your feelings are. Perhaps you could tell us about a beach clean you have been on, or use recycled materials to create a piece of art. You might find out about the sea and why it is so full of plastic. If you like science, you could find out about how our planet works in space, its position in the galaxy or relationship with the moon.

Your Show and Tell can be something you bring in to talk about, a poster or piece of artwork you have

	<p>made, or some information you have written to read out. Your work can be in the form of a powerpoint if you like that kind of thing, or you can just stand up and speak. (Please email powerpoints to <a href="mailto:secretary@kea.cornwall.sch.uk">secretary@kea.cornwall.sch.uk</a>)</p> <p>If you are worried about talking in front of the class, you can design an information poster for the teacher to put on the visualiser. If you are happy to do so, you will be invited to tell your friends about your work and then asked to answer some of their questions.</p>
--	--

Maths	
Tables	<p>We are practising the 8 times table in class, please practise at home or work on your target table.</p> <p>Why not use <a href="#">Times Tables Rockstars</a> to practice? If you stick to playing in the garage, you will only get questions from these tables. Even if you are good at these tables, the more you practise, the faster you will get!</p> <p>Playing in the studio will give you questions from all tables.</p>
Homework Task	<p>There is a task set on “My Maths”, however, this is optional. If you spent time on your show and tell then you do not need to do the maths. Your homework shouldn’t take more than one hour (unless it’s art or something you really love doing)</p>
