Dear Parents/Carers

ClassDojo

Hopefully you have all had a chance to read the information sheet regarding the Year 4 Class Dojo app that we will be trialling after Christmas. In order to implement this the school will need parental consent.

There are two types of consent, as follows:

1. Images to be seen by all parents in the class who sign up for the app.
2. Images to be seen only by the pupil's parent.

Hopefully most parents will be happy with option 1 but option 2 can be implemented if necessary.

Can you please complete the consent form below and return it to school by the end of the week.

Yours sincerely

Mr M Barritt
