Dear Parent/Carer

## **Year 4 BF Adventure – 5 & 6 May 2021**

At the moment we are still unsure whether schools will be allowed to take pupils on residential visits next summer. However, in the hope that we will be able to, we have arranged a 2 day, 1 night residential for Year 4 pupils at the BF Activity Centre, between Penryn and Helston, next May. BF is an excellent centre for outdoor pursuits. For more information about the centre please visit their website - [www.bfadventure.org](http://www.bfadventure.org).

The children will travel from school by coach and will arrive at camp by 10.00 am, in time for morning activities on the Wednesday. We will stay overnight in cabins, take part in activities the following day and arrive back at school on Thursday afternoon at approximately 4.30 pm. Children will need a packed lunch on the first day.

All the activities are organised and supervised by fully trained activity leaders. The children will take part in several different activities which could include climbing and abseiling, archery and problem solving. Meals will be provided by BF.

The cost of the visit, including transport to and from the centre, food, accommodation and all activities offers good value at a cost of £125.00 per child. We ask for a deposit of £40.00 by **23 October 2020**. You can pay the balance in instalments or in full by **31 March 2021**. **All payments will need to be paid using your online Parent Pay Account**. If the school has to cancel due to COVID-19 a refund will be given. A kit list is also attached.

We are hoping that every child in the class will be able to take part in the camp. Please contact me if funding the visit is a problem or your child has any special requirements. The school will try to help. Any pupils not taking part will join other junior classes for the two days. Please note there will need to be sufficient interest for this residential to be viable to go ahead.

Please complete the permission slip below and return to school and pay your deposit (on Parent Pay) by **Friday 23 October 2020**.

The school will always follow the latest government guidance concerning COVID-19. Full refunds will be given if the school has to cancel the residential due to COVID-19. Should it be necessary to cancel the residential due to a child in year 4 testing positive for COVID-19 evidence will be required from the parent for the school's insurers in order to claim refunds for parents.

Yours sincerely

Katherine Hunkin  
Headteacher
